DETAILS

Set on an entire floor of a secure Bantry Bay building with a private lift opening directly into the apartment, Bantry Bay Beauty is a three-bedroom, three-bathroom sanctuary shaped by exceptional space, privacy and elegant design.

Floor-to-ceiling glazing frames the Atlantic and the mountain, drawing the ocean into every principal room and giving the interior a light, unhurried quality from morning through sunset.

THE SPACE

Interiors are calm and considered — soft neutrals, natural timber, curated art and premium furnishings throughout. Guests arrive by lift into their own foyer, gather around the open-plan living, dining and gourmet kitchen, then step outside to a private balcony with sun loungers and uninterrupted sea views. A dedicated workspace, full laundry and access to the building's pool round out a home built for both retreat and remote work.

BANTRY BAY

Bantry Bay is one of Cape Town's most sought-after seaboard suburbs — a quiet, palm-lined stretch between Sea Point and Clifton, tucked beneath Lion's Head with the Atlantic on its doorstep. The apartment sits within easy walking distance of the Sea Point Promenade, boutique cafés, delis and the vibrant restaurant scene along Regent Road, with the beaches of Clifton just moments away by car or a scenic downhill walk.

GETTING AROUND

The V&A Waterfront is a 10-minute drive, Camps Bay 8 minutes and Cape Town International Airport around 25 minutes in normal traffic. Free parking on the premises and free street parking make a hire car easy, while MyCiTi bus stops and taxis on Regent Road put the rest of the city within quick reach without one.
