The open-plan layout connects the sleeping, living and kitchen areas in a way that feels spacious and coherent — this is a studio designed to be lived in, not merely passed through.

THE SPACE

The private outdoor terrace is one of the suite's defining features — a personal outdoor space above Sea Point's rooftops where guests can take morning coffee or wind down in the early evening light. Fast, reliable Wi-Fi and a proper dedicated workspace make the suite equally well-suited to business travellers, while the relaxed Atlantic Seaboard setting ensures holidaymakers feel every bit as at home.

SEA POINT

Sea Point is one of Cape Town's most vibrant and walkable Atlantic Seaboard suburbs, stretching between the city bowl and Camps Bay with Bantry Bay as its elegant southern border. The famous promenade runs along the ocean's edge, and the Sea Point tidal pool and open swimming area are just minutes away. Main Road offers an eclectic mix of independent restaurants, delis, bakeries and coffee shops.

GETTING AROUND

The V&A Waterfront is a 10-minute drive and the Cape Town CBD is equally close. Clifton and Camps Bay beaches are under 5 minutes by car. MyCiTi bus routes run along the Atlantic Seaboard, rideshares are readily available, and street parking is accessible directly outside the building.
